

NxEdge Inc is looking for a seasoned **Machinist** with milling and lathe experience for our Boise operation specializing in engineered materials and coating solutions for semiconductor, industrial thin-film, and solar energy applications worldwide.

**Requirements:** Must be able to set-up and operate Haas lathes and vertical mills, Mazak lathe experience a plus and have demonstrated proficiency with Virtual Gibbs and/or Surfcam. Must possess personal hand tools consistent with a journeyman machinist. Must thrive in a fast-paced working environment with an emphasis on quality. Minimum of five years experience necessary. This position operates on a Swing shift schedule 2:00pm to 12:30 am Monday- Thursday.

**Comprehensive benefits, salary DOE.**

Please email application, resume with salary history to [hr@nxedgeinc.com](mailto:hr@nxedgeinc.com) with subject line "Machinist", or fax (425) 990-0092. For job description and link to printable application please visit <http://www.nxedgeinc.com/careers.php>.
